**Islamic Republic of Afghanistan  
Ministry of Refugees and Repatriation**

31 May 2013

**Letter of Recommendation**

To whom it may concern,

This is to confirm that Tadbeer Consulting Inc. has completed the IOM's Capacity Development Project for the Ministry of Refugees and Repatriation (MoRR). This has been a one year project (1 July 2012 to 31 May 2013), funded by the Bureau of Population, Refugees and Migration (BPRM) of the US government and subcontracted to Tadbeer Consulting Inc. by the International Organisation for Migration (IOM). The total value of the project was US\$648,849.

Through this project, Tadbeer Consulting Inc. in consultation with the MoRR, drafted the Five Year Strategic Plan of the MoRR, completed the restructuring of the MoRR human resources at Kabul and provincial level, and conducted regular capacity building training programmes for staff of MoRR.

We find Tadbeer Consulting Inc. a very professional organisation with strong leadership and experienced staff. We highly recommend Tadbeer Consulting Inc. for any consultancy opportunities at the MoRR as well as any other institutions in Afghanistan.

In case you may require more information, please do not hesitate to contact us.

Sincerely yours,

  
Dr Abdul Samad Hami  
Deputy Minister  
Ministry of Refugees and Repatriation
